## STRICKEN DEAD.

### TRUSTWORTHY STATEMENTS.

A recent New York dispatch reads: "James C. H., a fine looking and apparently healthy man, was observed to stagger while walking in Fifth Avenue this afternoon, and after taking one or two steps, fell to the sidewalk. When he picked up he was dead. A physician examined him and pronounced him to be the cause of death. A peculiar and feature of the case is that Mr. H. was on his way to Marion to settle in the house of his brother. He had passed the previous ten years in the western mining country, and had acquired a fortune. If YOU have any of the specimens given in the following testimonial you should lose no time in seeking relief."

From John L. Roberts, Marion, Pa.: "I have suffered with palpitation, irregular pulse, fainting and smothering spells, pain in shoulders, side, and arm, for over forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, smothering spells followed one another, so my life was often in danger and I needed constant care. A physician had been sent by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy-five years old I feel twenty years younger. I claim my cure to be almost a miracle."

Here is a letter from Mrs. John Kolges, of Cleveland, O.: "I had been troubled with my heart and stomach for years, but for sixteen months had been confined to my bed. I had four of the best doctors in the city, but none of them could benefit the weakness of my heart. I also had dropsy and rheumatism. I never took medicine that relieved me at once as Dr. Miles' New Heart Cure does. I am much stronger. My appetite is splendid. I gain strength with every dose. I have gained more in six weeks from your treatment than in sixteen months from all the doctors."

"Dr. Miles' New Cure for the Heart is sold on a positive guarantee by all druggists. It is safe, effective, inexpensive, and does cure." Dr. Miles Medical Co., Elkhart, Ind.
